Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In the matter of the above-identified application, and in response to the non-final Office Action mailed April 1, 2003, Applicant requests entry of the amendment, reconsideration on the merits, and allowance of the claims. This response is accompanied by a request for a two-month extension of time, extending the period for reply from July 1, 2003 to September 1, 2003. Because September 1, 2003 is a Federal holiday, this response, which is being submitted on September 2, 2003, is being filed within two months of the July 1, 2003 expiration of the shortened statutory period for reply.

Amendments to the Claims begin on page 2 of this paper.

Remarks begin on page 11 of this paper.
